Our mission at NewView is empowering individuals who are blind or have low vision, maximizing their opportunities for independence through all stages of life. We are the state's leading employer of citizens who are blind or living with low vision in Oklahoma, employing nearly 150 adults.

NewView is an AbilityOne partner, an affiliated agency for the National Industries for the Blind (NIB), and an active participant in the State Use program. Through these relationships, NewView is a part of a network of suppliers that operates out of more than 1,000 locations, representing government agencies in all 50 states and the Department of Defense.

What does this mean for our customers? AbilityOne partners are held to the highest of standards. Quality assurance, fair pricing, on time delivery and superior customer service are all top priorities at NewView. Our team works tirelessly to assemble, test, package, kit, and ship orders with the goal of 100% customer satisfaction.

At NewView Oklahoma we manage a variety of collaborations with state, federal, non-profit, and corporate partners and can participate in various aspects of any organization's supply chain. Our list of products includes goods manufactured on site at our Oklahoma City manufacturing facility, a variety of kitted and assembled products built on site using items procured from various sources and acting as a preferred distributor for a variety of brands. Our team strives to provide our customers with clear and easy to find solutions and we want to be seen as a partner that consistently comes alongside you to help you reach your goals.

We invite you to explore our product lines and request a quote for your next order.

NewView Oklahoma can provide custom kitting to meet your organization's unique needs. For custom requests, please contact sales@newviewoklahoma.org. Individual kit components are available for purchase with a \$25 order minimum through the sales team.
